3rd Convocation - 2016

March 26, 2016

Chief Guest

Arun Jaitley

SGT University Gurgaon, organized its 3rd Convocation Ceremony followed by an Alumni meet on March 26th 2016. SGT University, Gurgaon, a multidisciplinary university with diverse courses running in both medical as well non-medical streams; spreads across 60 acres of land. The SGT University's staff and faculty members ensured to make this event a remarkable success.

The event was graced by the esteemed presence of Shri Arun Jaitley, Hon'ble Union Minister of Finance, Corporate Affairs and Information and Broadcasting, as the Chief Guest. He spoke about the academic

vision and motive behind the establishment of private institutes in the country and how this initiative contributed in the current growth level to a great extent. He emphasized the importance of educational institutes, as a contributor of man power supply and management to the country. His words of expression included appreciation for the recipient of Honoris Causa degrees, Shri Mohan Lal and Sh. Santosh Taneja. Shri Arun Jaitley also acknowledged in his speech with immense pleasure the presence of Prof. Rajeev Khanna (Director Faculty of Law, SGT University, Gurgaon), in the event who had taught him during the pursuance of his Degree. Shri Arun Jaitley, expressed his gratitude and pleasure for having been invited as the Chief Guest for the ceremony. And last but not the least he motivated the graduating students. His oration was intriguing and left everyone enlightened.

The event marked its beginning with the lamp lighting ceremony followed by a warm welcome speech and presentation of the annual report of SGT University by the Vice Chancellor of the University, Prof (Dr.) Sham Singla, followed by the conferring of degrees. It was a majestic gathering comprising of numerous students, their parents, Deans, faculty members, Dignitaries, University officials and esteemed personalities.

3rd Convocation 2016 :

SGT University Gurgaon, organized their 3rd Convocation Ceremony followed by an Alumni meet on March 26th 2016. SGT University, Gurgaon, a multidisciplinary university with diverse courses running both in medical as well non-medical streams, spreads across 60 acres of land. The SGT University's staff and faculty members ensured to make this event a remarkable success.

The event was graced by the esteemed presence of Shri Arun Jaitley, Hon'ble Union Minister of Finance, Corporate Affairs and Information and Broadcasting, as the Chief Guest. Shri Arun Jaitley was invited to the dias to confer the degrees of special convocation; Doctor of Letter (Honoris Causa) to Shri Mohan Lal, an ex- Principal of PGDAV College University of Delhi, Delhi and Shri Santosh Taneja, founder of the non-commercial venture "Sankalp" and an active Social Worker, for their contributions in the field of education and social welfare. Faculty of Engineering and Technology

Industrial Visits:

The Department of Civil Engineering, Faculty of Engineering & Technology organized an industrial visit to Sun City, Rohtak for its 2nd and 3rd semester students. The visit was arranged to enlighten the students about the day-to-day working of an industry and understand its operational issues. It helped the students grasp the current management practices followed in such organizations and acquire traits that the industry will demand of them.

The Department of Electronics and Communication Engineering organised an industrial visit to Dekki Electronics, Noida.

The Department of ECE organized an Industrial Visit for the students of Electronics & Communication Engineering to Prolific Systems & Technologies Pvt. Ltd., Noida, UP on 06th Feb 2016.

Another Industrial Visit was arranged for all the students of Electronics & Communication Engineering to L&T InfoTech, New Delhi on 16th Feb 2016.

On February 5, 2016 an industrial visit to 'Parle' was organised by the department of Mechanical Engineering with a view to enhance the students

learning vis-a-vis. manufacturing processes, live production and packaging Techniques.

Department of B.Tech. (ME) organized an Industrial Visit to Auto Expo

Students of Mechanical Engineering, SGT University visited Auto-Expo 2016. Students got to know about latest technologies in Automobiles. Cut-sectional view of different Engines was available to students for better understanding. The students as well as faculty members came to know

about the concept of cars which are designed in accordance with the demand i.e. more fuel efficient and based on alternative fuel. The students had wonderful opportunity to learn about new technologies.

Students of B.Tech. (ME) during the Auto Expo

Department of Civil Engineering organized an Industrial Visit

Department of Civil Engineering, SGT University, Gurgaon organized an industrial visit for second & third semester students to Construction site M3M Pvt. Ltd.

This visit to the construction site of 'M3M' Pvt. Ltd., had provided students the opportunity to relate to

different stages of construction in a variety of projects.

Also, detailed explanations on site about batching plant, mixing plant, various concrete tests, reinforcement of column, form work and other tasks strengthened their theoretical learning.

Department of CSE organized an Industrial Visit to HCL Technologies

The industrial visits for B.Tech (Computer Science and Engineering) students are very important for real projects activity in the industries, therefore the visit was organized at HCL Technologies for the B.Tech (CSE) students. The infrastructure of HCL is

decked with latest technologies and finest facilities. Mr. Rohit George, Communication Specialist, HCL Tech Ltd. welcomed the students of Computer Science and enlightened them regarding the career development course at HCL.

Students of B.Tech (CSE) during the Industrial Visit.

Technical Workshop & Events:

Department of Civil Engineering organized National Design Competition in association with CADD Center for students of Civil Engineering to display their talent in digital design skills. The competition was successfully conducted to perform 2D drafting.

Mechanical Engineering

A live demonstration of Engine Mechanics conducted by Mr. Vikas, Resource Person APS Mind Technologies Pvt. Ltd., enhanced the learning of students of Mechanical Engineering visa-versa transmission, brakes, chassis, etc.

A two day workshop on Automobile Engine Mechanics was jointly organised by the department of Mechanical Engineering, SGT University and APS Mind Technologies Pvt. Ltd. on February 29th and March 1st, 2016.

Workshop on "Embedded Technology and Industrial Automation"

A workshop on "Embedded Technology and Industrial Automation" was organised on March 9th, 2016 for ECE Students.

External experts from Sofcon India Pvt. Ltd. addressed the students.

Experts from Sofcon India Pvt. Ltd. addressing the students of Electronics and Communication Engineering.

Technical event "TEKNITUDE"

Mechanical Engineering department of SGT University organized a Technical event "TEKNITUDE" on 14th & 15th March, 2016. 1st Day of "TEKNITUDE" organised on March 14th/15th, 2016

saw enthusiastic participation for Quiz of the 2nd day "Tech Skills" displayed various technical projects. The event was conducted by Mechanical Engineering department of the University.

Guest Lecture on "Recent Advances in Roads & Road Transport Sector"

Civil Engineering Department organised a Guest Lecture on "Recent Advances in Roads and Road Transport Sector".
Dr. DP Gupta, former Director General (Roads Development) and Additional Secretary,

government of India Delivered an informative Lecture on the topic. Students enthusiastically participated in this interactive session.

Mr. D.P. Gupta delivering a lecture on "Recent Advances in Roads and Road Transport Sector"

Workshop on "Gesture Base Robotic"

Two days workshop on "Gesture Base Robotic Workshop" on 10-11 March, 2016 was organized by Department of Computer Science & Engineering in Faculty of Engineering & Technology, SGT

University- Gurgaon. The workshop was centered on classification of robotics in use, verticals of robotics applications and types of automaton or robots.

Students of Engineering CSE Department participating in Workshop

Faculty of Commerce & Management

An Expert Talk was organised on "Scope of being in Marketing Job" by Mr. Pankaj Mehrotra, President-Sales, Ceasefire Industries Ltd.

The expert speaker was instrumental in acquainting the students with basic norms to be a good marketing professional. The speaker also discussed

varied career prospects and challenges in the domain of Marketing & Sales.

Mr. Pankaj Mehrotra delivering a Lecture.

Expert lecture on "Indian Foreign Policy and its Historical Backgrounds" by Mr. Dinesh Dubey (Political Advisor, US Embassy, New Delhi).

Mr. Dubey gave an exhaustive account of the factors which determined the forming of India's Foreign Policy during the era of Prime Minister Nehru and the manner in which the parameters changed after the Chinese aggression in 1962. Mr. Dubey outlined all the major factors which

determined India's Foreign Policy right up to the present times explaining the contribution made by all the Prime Ministers including Mr. Modi. He also explained how economic factors and national exigencies determined the foreign policy of our country

Expert talk by Mr. CR Sreekumar, Vice President, Human Resources, Schneider on "How to prepare yourself for Corporates",

Mr. Sreekumar through his gripping dialogue exhorted the students to become skilled at the basic traits which a good corporate professional should encompass. He motivated the students by

giving practical examples on prevailing corporate culture so as to attune the students not only for a smooth campus to corporate movement but also for a swift corporate growth.

Principal College of Pharmacy, Dr. S.K. Sharma felicitating the Guest Mr. Sreekumar

An Interactive Session on "Writing a Good Research"

A talk on "Writing a Good Research" was organized by Faculty of Commerce & Management. Prof. B Bhattacharyya, Former Dean -IIFT Delhi and Dr. M.P. Gupta, Department of Management & Studies -IIT Delhi were the expert speakers. Prof. Bhattacharyya in his discourse associated research to teaching and narrated that research starts with curiosity to know more and more about your subject and the quest to teach it better. He also advised the participants to go beyond the syllabi and consider

research inculcating a problem solving approach for the country men with wide impact on the society. Dr. Gupta pondered on considering real life problems to unravel the canvas of research and recommended News compilations, use of IT and Google search as sources of writing a good research. Faculty from Engineering, Pharmacy, Commerce & Management participated in the talk and could construe diverse ways for carrying research.

Expert Speaker Prof. B Bhattacharyya, Former Dean

FCM Students at Alicon Cast Alloy Ltd.

In order to bridge the gap between Industry and Academia, Faculty of Commerce and Management- SGT University organized an Industrial Visit on February 26th, 2016 to Alicon Ltd. The students

were excited to relate theoretical concepts of Production and Operations Management with practice.

Dignitaries during the Lamp lighting Ceremony at Alicon Ltd.

Awards 2015", in association with the Indian Federation of Culinary Associations and World Association of Chef Societies. The students got their first experience to listen to and see in person the talks from the crème de la crème of culinary world.

10 Selected Students of BHM 1st year in International Chef Summit.

Wine Appreciation Workshop "Copa de Vino"

A Wine Appreciation Workshop called "Copa de Vino" was organized by Faculty of Hotel & Tourism Management, SGT University in liaison with **Sula Vineyards** on March 3rd 2016 in order to introduce students to the world of Wines. Vice Chancellor Dr Shyam Lal Singhla inaugurated the event which had Ms. Zaheen Khatri Manager, Tastings & Marketing, Sula Vineyards enthral the students with a presentation and some varieties of wines for tasting. She started the session with some interesting ice breaking questions to the students and getting an idea about their knowledge of wine. Her deliberations were on the history of wines and viticulture, focusing on terroir which is a set of all

environmental factors that affect a crop's epigenetic qualities, when the crop is grown in a specific habitat and how it affects the wine. She elaborated about different types of wine, how to read a wine label, how to demarcate a good wine from a bad one and how to taste and relish wine. The students got a wonderful exposure and an opportunity to taste white, red and sparkling wine and understand the reasons behind specific glassware used and prevalent customs related to presentation of wine to a guest. All students and faculty members participated whole heartedly in the interactive session.

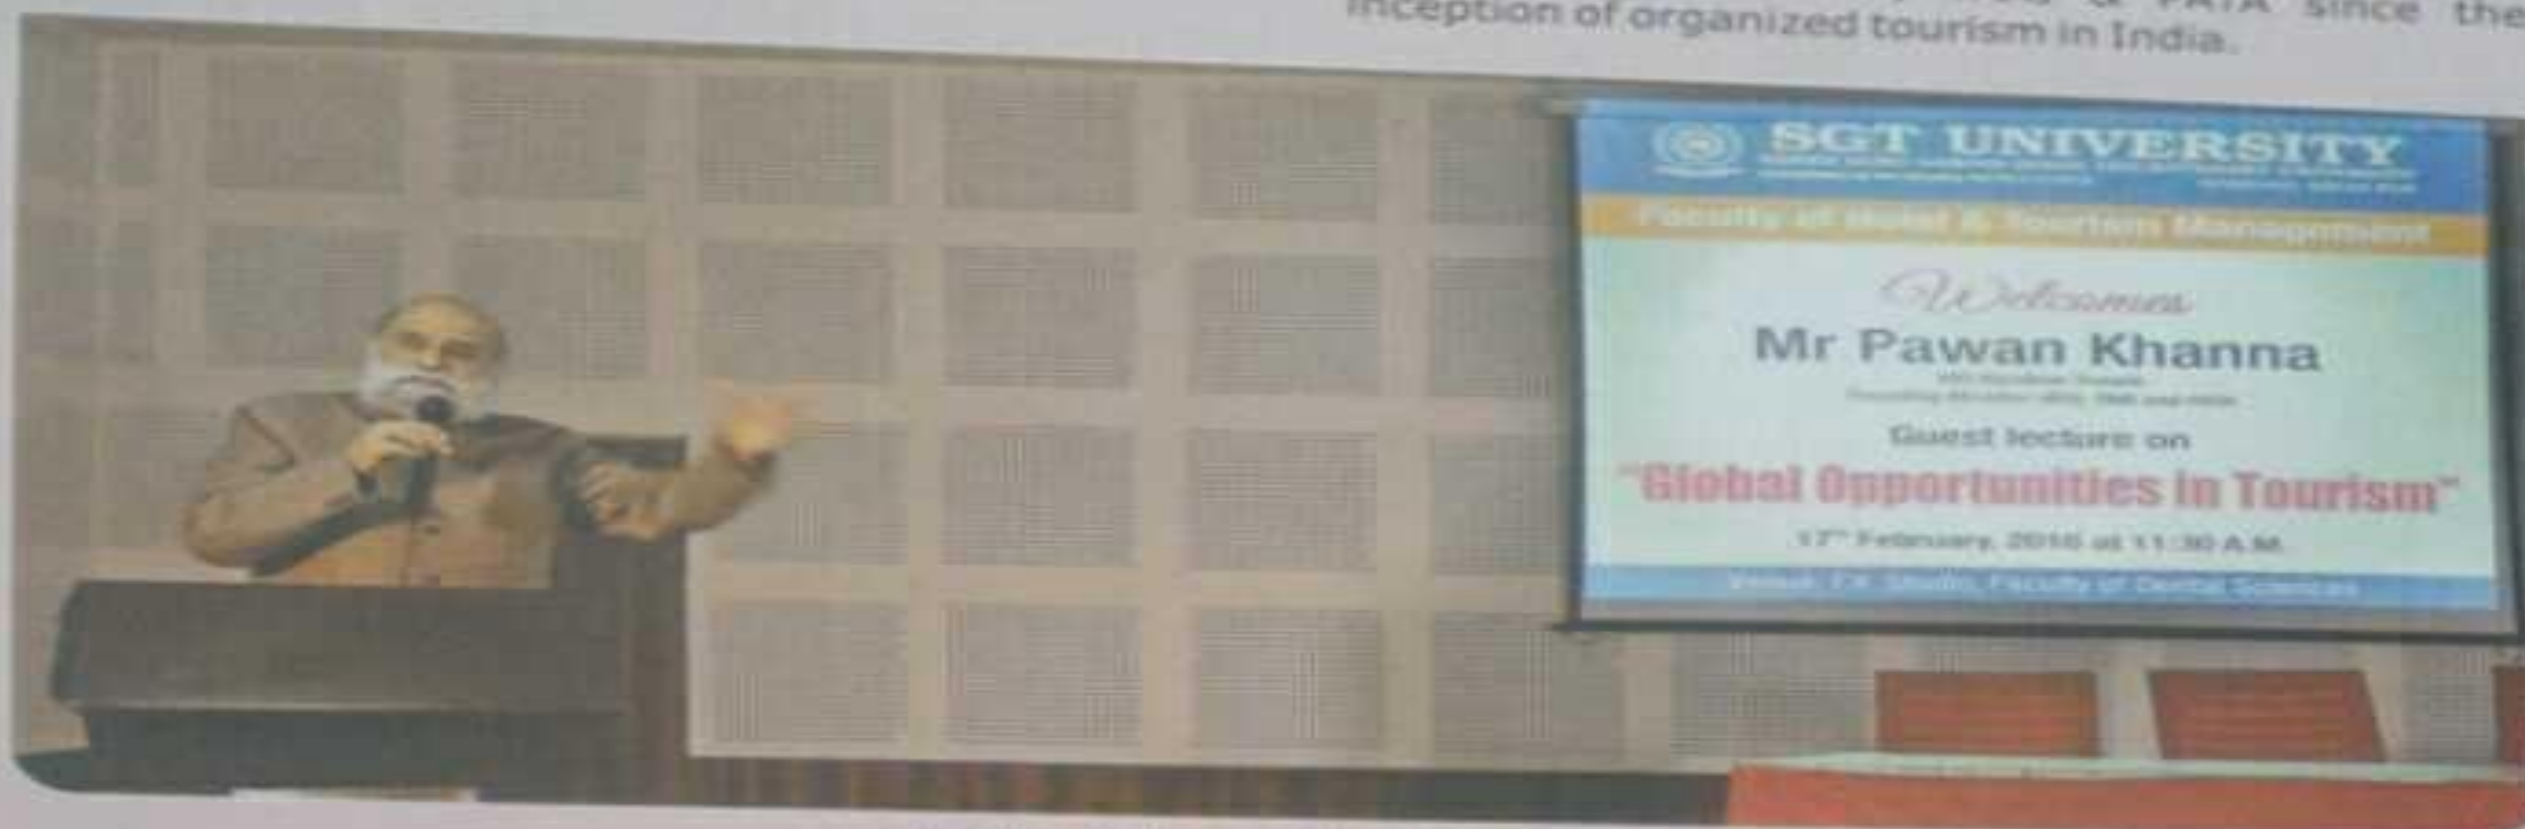

Ms. Zaheen Khatri during the Ice-breaking Session with the students of Faculty of Hotel and Tourism Management.

Guest Lecture by Mr Pawan Khanna, MD Rainbow Travels

Faculty of Hotel & Tourism Management hosted an invigorating and enthralling Guest Lecture on "Global Opportunities in Tourism" by Mr Pawan Khanna, MD Rainbow Travels on February 17th 2016. A renowned exponent in tourism with 40

years of rich experience in the field, Mr Khanna gave a wonderful insight into the world of Travel & Tourism and how students could chart their way to success in this industry. He has been actively associated with IATO, TAAI & PATA since the inception of organized tourism in India.

Mr. Pawan Khanna delivering a Lecture.

Industrial Visit- Kingdom of Dreams

Faculty of Hotel & Tourism Management had a fun filled and informative trip to Kingdom of Dreams on February 18th where they were given a presentation on the concept behind **Kingdom of Dreams** which is India's first live entertainment, theatre and

leisure destination. It consists of two theatres, *Nautanki Mahal* and the *Showshaa Theatre*, and a cultural and cuisine area known as *Culture Gully*. The grandeur and magnificence of the place was much appreciated by the students.

An informative trip to Kingdom of Dreams by the faculty of Hotel and Tourism Management.

Guest Lecture by Mr Tushar Abrol, Manager learning & Development Vivanta by Taj, Gurgaon

Mr Tushar Abrol, Manager, Learning & Development, visited Faculty of Hotel & Tourism Management, SGT University to deliver a guest lecture on "Career Path for Hospitality Professionals" on March 4, 2016.

The lecture started with a brief introduction of Taj Hotels, Resorts and Palaces and moved on to an interactive power point presentation about the attributes and skills needed to succeed in the industry. Mr Abrol advised the students to make a logical decision about why they should join a good hotel brand and what parameters should one see before selecting a hotel company. He encouraged the students to inculcate and develop good habits like reading, research and developing the correct professional attitude. He emphasized on the need to remain focused and stay connected with one's goals and work persistently toward achieving them. Complex concepts like passion, ambition, hard work and love for what one does were made simpler to understand through interesting videos and examples from his own life.

Mr. Tushar Abrol interacting with the Students

Faculty of Physical Sciences

Lecture on "Zinc Oxide as an efficient photo catalyst"

Dr. Naveen Verma, Asst. Professor, M.D. University, Rohtak delivered a lecture on "Zinc Oxide as an efficient photo catalyst". He shared information about use of Zinc Oxide in degrading the toxic chemicals and harmful dyes.

Dr Naveen Verma delivering lecture

Guest Lecture on Solar Cells:

Dr. K.C. Singh, Ex- Professor, M.D. University, Rohtak delivered a lecture on "Limitation and modification of Solar Cell". During his lecture, he discussed the change in approach in research from first generation to third generation solar cells which lead to the increase in efficiency of solar cells from 5% to almost 60%. It was a very interesting subject for the students

Prof K.C Singh delivering lecture

Faculty of Behavioral Sciences

Brainstorming Session on "Problem Solving Skills"

Faculty of Behavioural Sciences organized a brain storming session on "Problem Solving Skills" for its students on 8th October 2015. The discussion focused on adjustment issues faced by the students in and outside the university. They were guided by their mentors and other faculty for effective problem solving skills.

Brainstorming Session

Visit to Sir Gangaram Hospital, New Delhi

The students visited the Pediatric Child Development Department of Sir Ganga Ram Hospital, Delhi on 28th January 2016. They observed the cases of developmental disorders, specifically autistic and delayed speech kids who are treated by occupational therapists under the supervision of a pediatric doctor and Clinical

Psychologist. They also observed the delayed milestone of these children and role of occupational therapist and clinical psychologist in psychological treatment of children with developmental disorders. It was a wonderful experience for the students.

B.Sc and M.Sc. Students visit to Rehabilitation Center, Gurgaon:

The B.Sc. and M.Sc students visited Sambandh Foundation, Gurgaon on 27th January 2016. This rehabilitation center is home to mentally challenged persons, who are suffering from bipolar and schizophrenic disorders. The students observed that family environment, provided to the inmates, creates a congenial environment for their rehabilitation. The in-house patients were engaged in role play of day to day activities, like welcoming the guests and interacting with them. The inmates presented a play on the issues faced by mentally challenged people and how the society should address their concerns. The Centre presents the best example of psycho-social model of treatment in a family setting. The visit was very useful for the students in terms of experiential learning.

B.Sc., M.Sc students of Behavioural Health Sciences visit Sambandh Foundation, Gurgaon.

Faculty of Nursing

"Workshop on Palliative Nursing".

Students & Faculty members of the Faculty of Nursing attended a 2-day "Workshop on Palliative Nursing", organized jointly by "Can Support" and Continuing Nursing Education Cell of RML Hospital on 16th -17th October, 2015 at Ram Manohar Lohia Hospital, New Delhi. Students felt that it was a great

experience and exposure for them to learn new aspects of Palliative care in nursing management of the affected client with life threatening diseases. "Can Support" offers a spectrum of services for the care of cancer patients.

Participants at RML Hospital, New Delhi

World Diabetes Day : Awareness Programme

On 14th November 2015, Faculty of Nursing organised "World Diabetes Day" on the theme "**HEALTHY LIVING & DIABETICS**" at SGT Hospital, Gurgaon. The motive was to create an awareness about diabetes among the masses.

Students of Nursing along with the University Officials

Health Awareness Programme in Civil Hospital

B.Sc. (Nursing) 2nd year students were posted in Civil hospital, Gurgaon in the month of December 2015. On 21st Dec. students attended a health talk in OPD on "AIDS", "Tuberculosis", "Malaria" and "Swine flu". The objective of health talk was to educate the group regarding preventive measures in health related practices to promote health as well as to restore health of the community.

B.Sc (Nursing) 2nd year students in Civil Hospital Gurgaon for a "Health Talk".

Guest Lectures on Breast Cancer & Palliative Care

A Guest lecture was held on the topic "Breast Cancer & Palliative Care", by "Can Support", on 27th Nov. 2015. Dr. Ravinder Mohan, Head of Training Support, Ms. Bina Akhtar, Educator cum Counselor and Ms. Savita Luka, Educator-cum-Counselor

from "Can Support" were the Guest Speakers. They enlightened the students and faculty members about breast cancer & palliative care. The lectures were highly useful for the students.

Educational Visit to Dr. Rajendra Prasad Centre for Ophthalmic Sciences, AIIMS, New Delhi

Students went for an educational tour to National Eye Bank of Dr. Rajendra Prasad Centre for Ophthalmic Sciences, AIIMS, New Delhi on 21st Dec. 2015. The students learnt the process of eye

donation & functioning of bank. It was an interactive session between the doctors and students. The visit motivated the students to donate their eyes for someone who needs them to see the world.

Faculty of Allied Health Sciences

On 1st of March 2016, Students of Optometry [2nd and 3rd year] were taken to Mahajan Eye Center, Pitampura New Delhi for an educational excursion. Students were exposed to different procedures such as A Scan by Emersion Technique, Non-Contact Tonometry, OCT-posterior segment, YAG laser, Pentacam and Fundus Fluorescein Angiography. They learnt the details of the technique of doing FFA, OCT, Pentacam, NCT etc. Students felt delighted as they were experiencing these techniques live for the first time.

Students observing FFA

Guest Lecture on Fitting of Artificial Eyes in Enucleated Eyeballs

A guest lecture on "Fitting of Artificial Eyes in Enucleated Eyeballs" was organised by Deptt. Of Optometry, SGT Medical College Budhera, Gurgaon, on 6th Feb 2016. The guest speaker was Miss Gayatri Gaur from L V Prasad Eye Institute Hyderabad, a renowned ocularist; a specialist in fitting of artificial eyes. It was an interactive session. A lot of questions were asked by the students as they were interested in knowing the prospects of becoming an ocularist.

Recycle Week from 3rd - 6th February 2016

Faculty of Allied Health Sciences celebrated Recycle Week from 3rd to 6th February 2016. It was an Inter disciplinary event on the theme: Reuse, Recycle and Reduce. More than 130 students from different faculties participated and contributed towards its success. A quiz competition was organized on 3rd Jan, which included different fields, viz., general science, recycling, environment, general awareness and Nobel prizes. Later, on 4th

and 5th February, poster competition and 'use from waste' competition were organized which witnessed enthusiastic participation of the students. The events were a total blend of knowledge, awareness, creativity, innovation along with use of techniques. The exhibition of posters, artifacts and models was visited and assessed by Hon'ble Vice-Chancellor, Dean Engineering, Dean Allied Health and Dean, Community Medicine.

Free Dental Check-up and Treatment Camp.

HOLI FEST 2016

The cultural extravaganza Holi Fest on 12th March 2016 was yet another indelible day in Shree Guru Gobind Singh Tricentenary University, Gurgaon. The event was organized with a vision of filling its 60 acres of campus with colors of benevolence, joy of celebration, laughter and much more to make it the most memorable day all for those who attended. Holi Fest in SGT, stands to be one of the most cherished celebrations of all its occasions and events, that is being celebrated since the time of its inception.

The event marked of a grand welcome of the guests by a Tilak ceremony at the entry gate, was followed by a welcome speech, an oration by the Vice Chancellor of the University and the Lamp Lightening ceremony. Various performances kept the eyes of the audiences glued to the stage which included a Folk Dance representing a blend of colors of Rajasthan's Ghoomar, Kashmir's ethnic beauty, peppy Manipuri, tea dance, West Bengal's beats and Maharashtra's Lavani. Blended with Metrical performances on Bollywood Radha Krishna Songs, Old Bollywood Holi Songs and a pulsating

Bollywood and Classical fusion. The most applauded, performance among the audience was Maharaas, which represented the divine beauty of Shri Krishna replicating himself into multiple avatars, to play Holi with his Gopis. It was followed by the grand depiction of Braj art of Holi Celebration

which included the sweetened elements of four typical Braj Holi forms namely; lath maar, laddoo Holi, kesar paani and shower of flowers. It lead to the spread of divine vibrations all around and Radha-Krishna on stage was perceived no less than actual deity forms. Flower Holi or shower of Flowers as the name suggests was is played with quintals of flowers drenching everyone into fragrance of joy, laughter and belongingness.

The event was marked by the esteemed presence of various eminent personalities, fraternities as well as people coming from all walks of life. It was attended by more than 3000 people and was hosted by the creative budding Engineers and Managers from Faculty of Engineering and Technology and Faculty of Commerce and Management.
