Structured Student Feedback Analysis Report
2022-2023

Registrar
SGT University
Budhera, Gurugram

Overview

Shree Guru Gobind Singh Tricentenary (SGT) University, Gurugram stress upon continuous improvement of its teaching-learning as well as other academic process and policies.

SGT University, every year, rolls out a Structure Feedback Survey for its all stakeholders on the various parameters of teaching-learning and other academic processes to assess the quality of the aforesaid parameters & processes of the university for its continuous improvement.

The Structure Feedback Survey for the students was conducted by the Internal Quality Assurance Cell for the academic session 2022-23 and a detailed report and its analysis of the same is given hereunder as an overview of the survey.

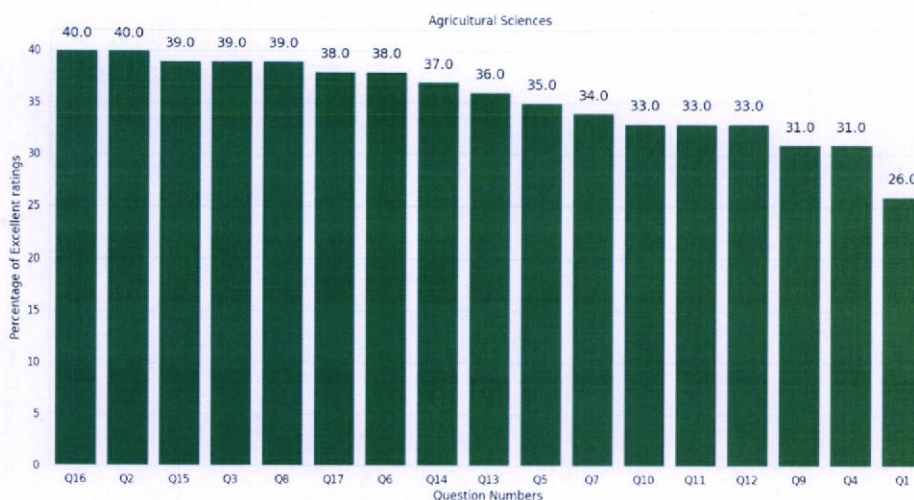

Registrar

Questionnaire

Sr. No.	Questions
1	Content of course is based on industry needs and demands?
2	Practicals/Labs are given equal importance?
3	The practicals/lab experiments enhanced understanding of concepts of theory?
4	Course content enhances technical skills to face the industry?
5	Adequate reference books are available in the Library?
6	Appropriate reference material (print &online) is provided?
7	Teaching methods encourage your participation in learning?
8	Teacher is responsive to students needs and problems?
9	The teacher's ability in explaining areas of confusion?
10	Overall environment in the class is conducive to learning?
11	The contents of syllabus were appropriately sequenced?
12	The course content stimulated your interest in the subject area?
13	The syllabus was covered well within the time?
14	Tests and examinations are conducted well within time?
15	The sequence of internal/sessional examinations is helpful in covering the whole course content?
16	Rate your experience with the inclusion of Objective type Questions in the Exam paper?
17	Rate your satisfaction with the examination and evaluation pattern of the university?

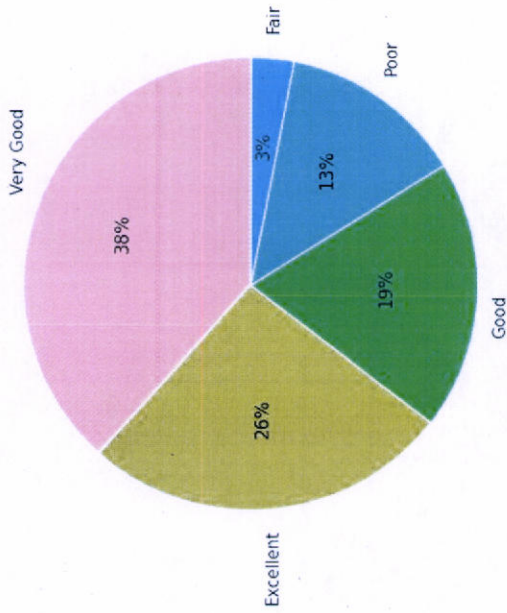

Analysis

Q5. Adequate reference books are available in the Library

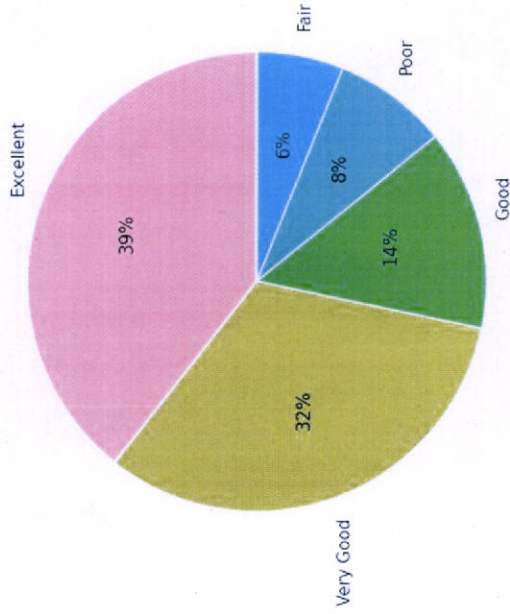

Q6. Appropriate reference material (print &online) is provided

Q7. Teaching methods encourage your participation in learning

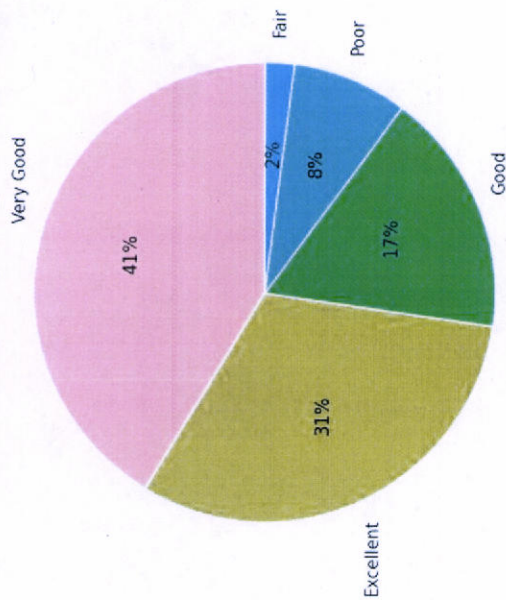

Q8. Teacher is responsive to students needs and problems

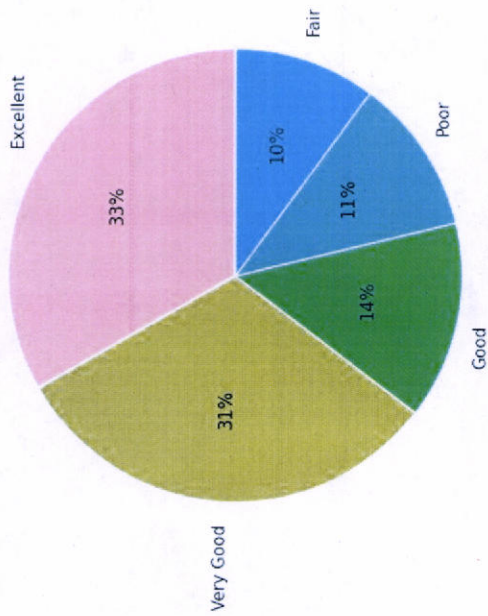

Registrar
SGT University
Budhera, Gurugram

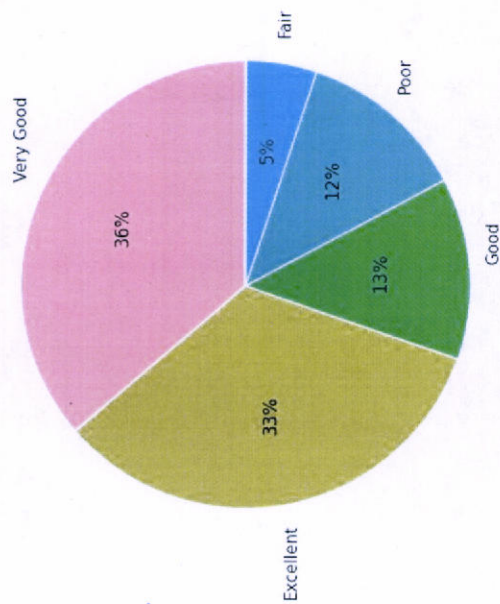

Q9. The teacher's ability in explaining areas of confusion

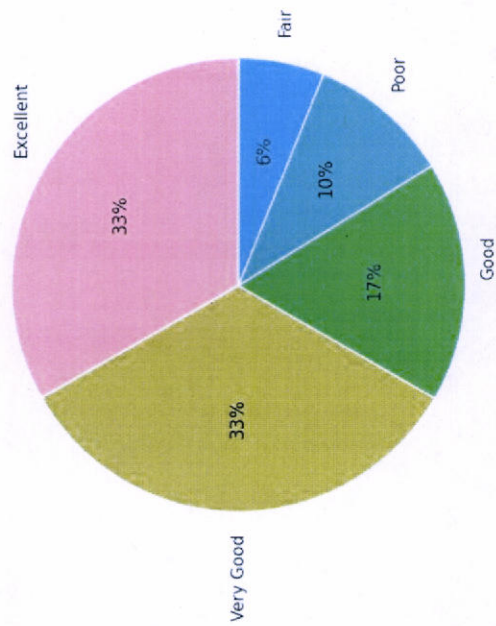

Q10. Overall environment in the class is conducive to learning

Q11. The contents of syllabus were appropriately sequenced

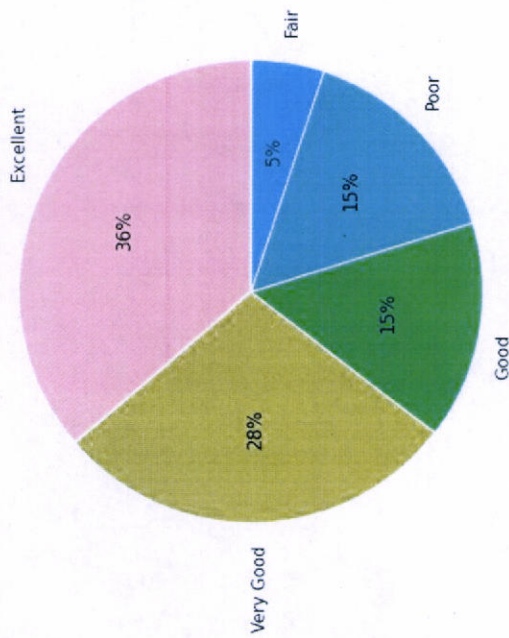

Q12. The course content stimulated your interest in the subject area

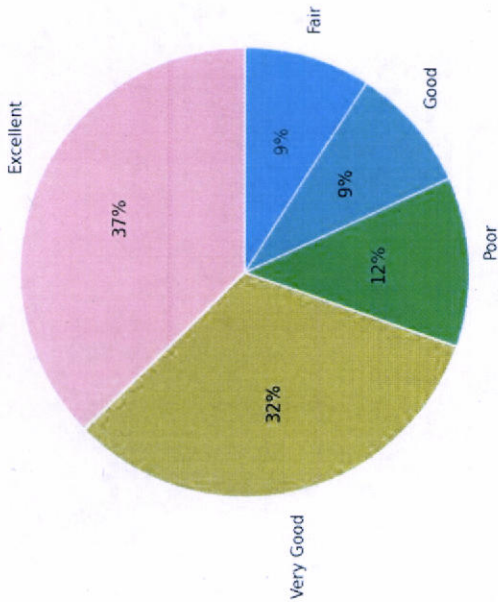

Registrar
SGT University
Budhera, Gurugram

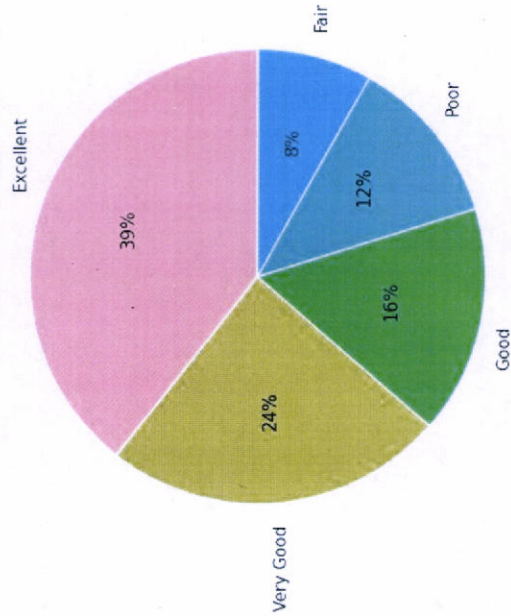

Q13. The syllabus was covered well within the time

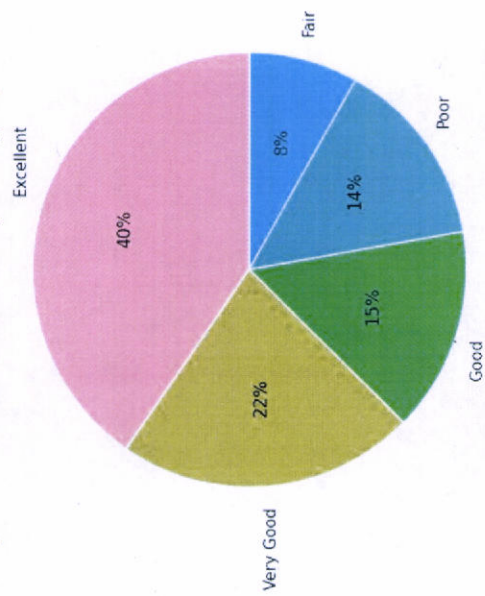

Q14. Tests and examinations are conducted well within time

Q15. The sequence of internal/sessional examinations is helpful in covering the whole course content

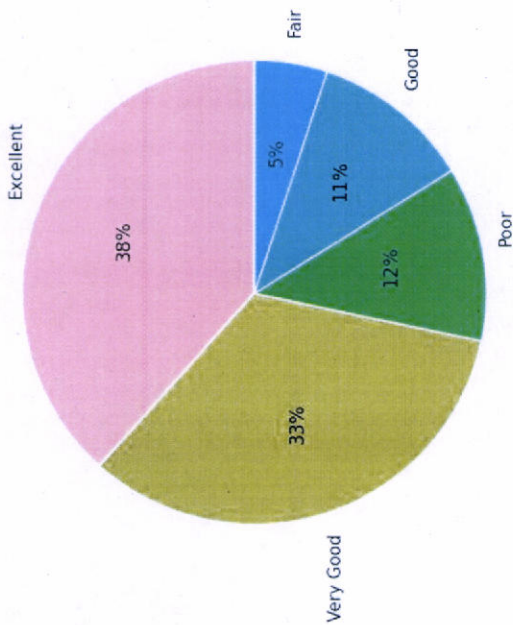

Q16. Rate your experience with the inclusion of Objective type Questions in the Exam paper

Q17. Rate your satisfaction with the examination and evaluation pattern of the university

Registrar
SGT University
Budhera, Gurugram

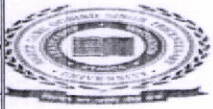

After due discussion on students' structured feedback analysis, the finalized actionable points, as pointed out by the Student Feedback Analysis Committee, are summarized below:

S. No.	Actionable Point	Remarks
1.	Course content enhances technical skills to face the industry	Focus will be given to assess industry needs, update content with latest tech, include practical projects, incorporate real-world scenarios, and encourage continuous learning.
2.	Adequate reference books are available in the Library	Steps will be taken to enhance evaluation of current collection, update with relevant texts, seek student input, ensure diverse perspectives, periodically review, and refresh.
3.	Appropriate reference material (print & online) is provided	Enhancement will be done through survey material relevance, acquiring diverse resources, collaborating with experts, regularly update content, and ensuring accessibility of online references.
4.	Overall environment in the class is conducive to learning	Foster positive interactions, ensure comfortable seating, utilize engaging teaching methods, encourage open communication, regularly assessing and addressing concerns will be encouraged.
5.	The contents of syllabus were appropriately sequenced	Importance will be given to evaluate curriculum alignment, prioritize foundational concepts, organize logically, consider learning progression, and seek feedback for continuous improvement.
6.	The sequence of internal/sessional examinations is helpful in covering the whole course content	Focus will be given to review curriculum objectives, align exam content, match assessment methods, update regularly and seek faculty and

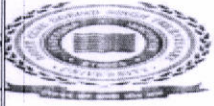

7.	Experience with the inclusion of Objective type Questions in the Exam paper	student feedback. Measures will be taken to align with learning objectives, ensure clarity and precision, vary difficulty levels, include practical applications, and regularly update and refine.
8.	Satisfaction with the examination and evaluation pattern of the university	Proper steps will be taken to review assessment goals, ensure variety in question types, align with learning outcomes, introduce practical assessments and gathering feedback for continuous enhancement.

After due discussion on students' structured feedback analysis, the finalized actionable points, as pointed out by the Student Feedback Analysis Committee, are summarized below:

S. No.	Actionable Point	Remarks
1.	Practicals/Labs are given equal importance	Enhancement will be done to align with theory concepts, provide clear objectives, ensure sufficient resources, encourage hands-on problem-solving, and regularly update experiments.
2.	Adequate reference books are available in the Library	Measures will be taken to assess current collection. seek input from faculty, align with curriculum, acquire diverse resources, and regularly update and expand.
3.	Appropriate reference material (print &online) is provided	Focus will be given to evaluate material relevance, collaborate with experts, acquire diverse resources, ensure online accessibility, regularly update content.
4.	Teaching methods encourage your participation in learning	Incorporate interactive activities, foster discussions, utilize multimedia, emphasize real-world applications, encourage questions and peer collaboration.
5.	Teacher is responsive to students needs and problems	Encouraging to establish open communication, encourage feedback, address concerns promptly, provide additional support and foster a supportive and approachable atmosphere.
6.	The teacher's ability in explaining areas of confusion	Identify common challenges, seek student feedback, utilize diverse explanations, encourage questions, and offer additional resources and support.
7.	Overall environment in the class is conducive to learning	Steps for improvement will be taken such as foster positive interactions, establish clear expectations, utilize engaging teaching methods, encourage student participation, and address concerns promptly.
8.	The syllabus was covered well within the time	Plan lessons effectively, prioritize key concepts, use time management strategies, monitor progress regularly and adjust pace as needed will be done.
9.	Tests and examinations are conducted well within time	Measures such as set clear time limits, provide concise instructions, monitor exam progress, allocate time for each section, and train invigilators for efficiency will be done.

Structured Student Feedback Analysis Report

2022-2023

Registrar
SGT University
Budhera, Gurugram

Overview

Shree Guru Gobind Singh Tricentenary (SGT) University, Gurugram stress upon continuous improvement of its teaching-learning as well as other academic process and policies.

SGT University, every year, rolls out a Structure Feedback Survey for its all stakeholders on the various parameters of teaching-learning and other academic processes to assess the quality of the aforesaid parameters & processes of the university for its continuous improvement.

The Structure Feedback Survey for the students was conducted by the Internal Quality Assurance Cell for the academic session 2022-23 and a detailed report and its analysis of the same is given hereunder as an overview of the survey.

Questionnaire

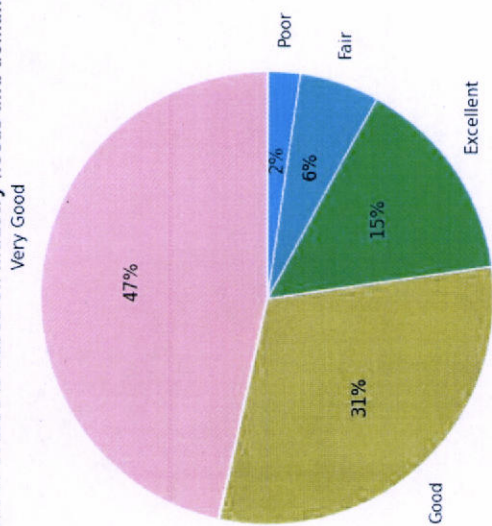

Sr. No.	Questions
1	Content of course is based on industry needs and demands?
2	Practicals/Labs are given equal importance?
3	The practicals/lab experiments enhanced understanding of concepts of theory?
4	Course content enhances technical skills to face the industry?
5	Adequate reference books are available in the Library?
6	Appropriate reference material (print &online) is provided?
7	Teaching methods encourage your participation in learning?
8	Teacher is responsive to students needs and problems?
9	The teacher's ability in explaining areas of confusion?
10	Overall environment in the class is conducive to learning?
11	The contents of syllabus were appropriately sequenced?
12	The course content stimulated your interest in the subject area?
13	The syllabus was covered well within the time?
14	Tests and examinations are conducted well within time?
15	The sequence of internal/sessional examinations is helpful in covering the whole course content?
16	Rate your experience with the inclusion of Objective type Questions in the Exam paper?
17	Rate your satisfaction with the examination and evaluation pattern of the university?

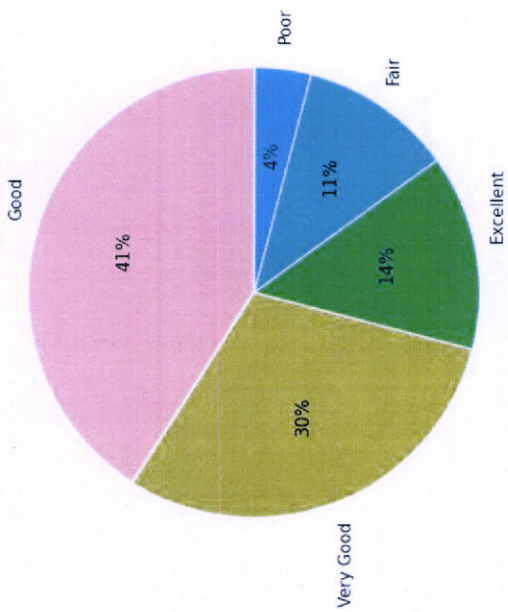

Analysis

Q1. Content of course is based on industry needs and demands?

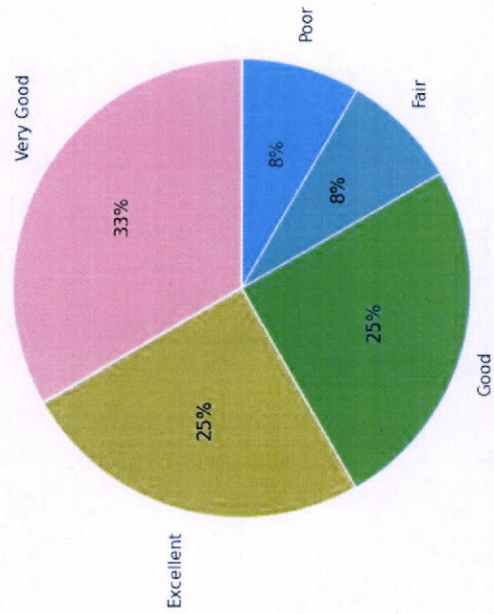

Q2. Practicals/Labs are given equal importance?

Q3. The practicals/lab experiments enhanced understanding of concepts of theory?

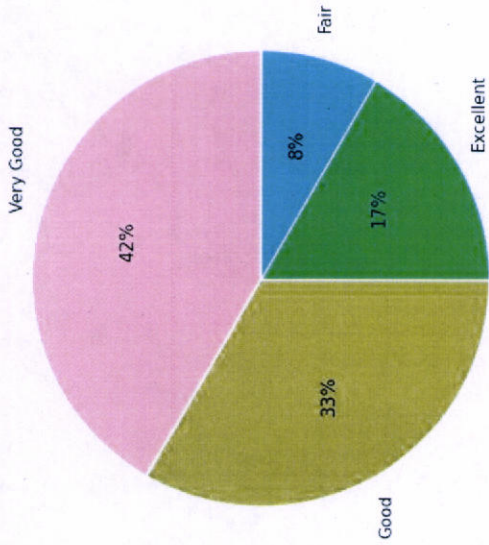

Q4. Course content enhances technical skills to face the industry?

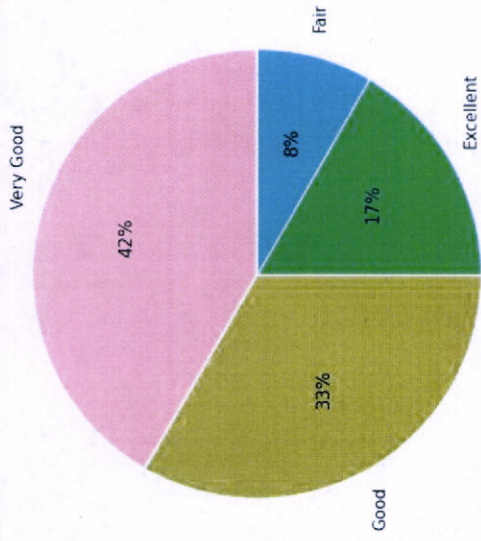

Registrar

After due discussion on students' structured feedback analysis, the finalized actionable points, as pointed out by the Student Feedback Analysis Committee, are summarized below:

S. No.	Actionable Point	Remarks
1.	Adequate reference books are available in the Library	The following measures will be implemented - conducting a thorough assessment of the current collection, soliciting feedback from faculty and students on needed materials, collaborating with subject experts to identify relevant resources, diversifying acquisitions to cover a wide range of topics and perspectives, and regularly updating and expanding the collection to reflect changing needs and advancements in the field.
2.	Appropriate reference material (print & online) is provided	Steps such as - evaluating the relevance of current material, collaborating with experts for recommendations, diversifying print and online acquisitions, ensuring accessibility and usability, and regularly updating and expanding resources will be done.
3.	Overall environment in the class is conducive to learning	Steps such as - establishing clear expectations and guidelines, utilizing engaging teaching methods, encouraging positive interactions among students, fostering open communication and participation, and addressing concerns promptly and maintaining a supportive atmosphere will be taken.
4.	The syllabus was covered well within the time	Planning lessons efficiently, prioritizing key concepts, monitoring progress consistently, utilizing effective teaching methods and adjusting pace as needed to ensure comprehensive coverage will be encouraged.

Questionnaire

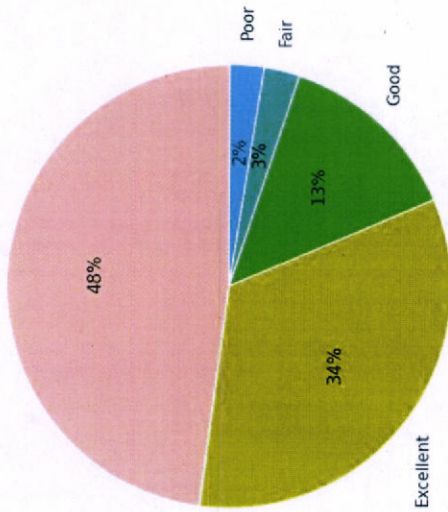

Sr. No.	Questions
1	Content of course is based on industry needs and demands?
2	Practicals/Labs are given equal importance?
3	The practicals/lab experiments enhanced understanding of concepts of theory?
4	Course content enhances technical skills to face the industry?
5	Adequate reference books are available in the Library?
6	Appropriate reference material (print &online) is provided?
7	Teaching methods encourage your participation in learning?
8	Teacher is responsive to students needs and problems?
9	The teacher's ability in explaining areas of confusion?
10	Overall environment in the class is conducive to learning?
11	The contents of syllabus were appropriately sequenced?
12	The course content stimulated your interest in the subject area?
13	The syllabus was covered well within the time?
14	Tests and examinations are conducted well within time?
15	The sequence of internal/sessional examinations is helpful in covering the whole course content?
16	Rate your experience with the inclusion of Objective type Questions in the Exam paper?
17	Rate your satisfaction with the examination and evaluation pattern of the university?

Analysis

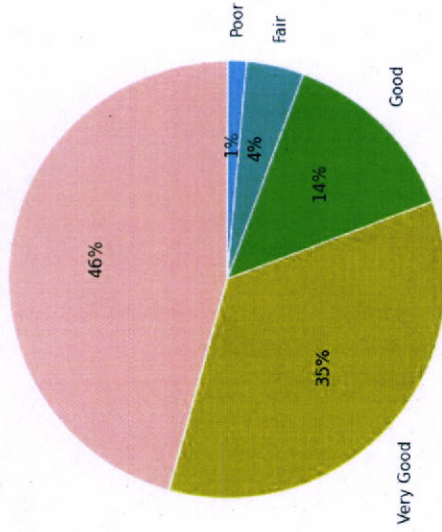

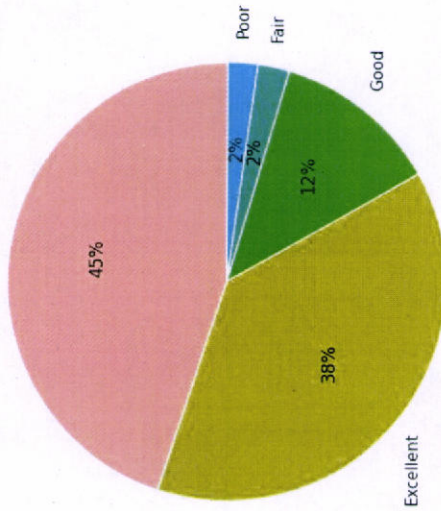

Q1. Content of course is based on industry needs and demands
Very Good

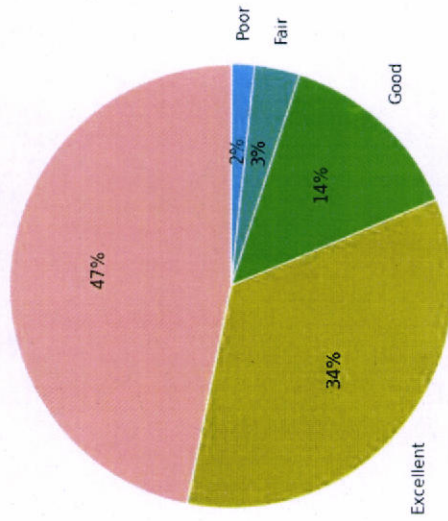

Q2. Practicals/Labs are given equal importance
Excellent

Q3. The practicals/lab experiments enhanced understanding of concepts of theory
Very Good

Q4. Course content enhances technical skills to face the industry
Very Good
