# SUSTAINABLE DEVELOPMENT GOALS

## 1 NO POVERTY

SGT University is dedicated to reducing poverty through education and skill development. It offers a range of scholarships and financial assistance to economically disadvantaged students, ensuring that higher education is accessible to all. The university collaborates with NGOs and local organizations to organize free skill development workshops and vocational training for underprivileged communities, helping them gain employable skills. Additionally, SGT conducts health camps and distributes essential supplies to rural areas, contributing to the socio-economic upliftment of marginalized groups. These efforts align with the university's mission to empower individuals and break the cycle of poverty through education and sustainable initiatives.
